**CJB Restoration** ensures quality on job sites through its conformity with plans and specifications by implementing specialized knowledge of home construction and current restoration methods and procedures. Direct involvement in all job coordination and information management enables CJB Restoration to monitor each job's schedules, specifications and budgets from start to finish. They have an 11 year history of achieving solid results from implementing their unique and flexible restoration procedures.

Their company holds the ability to supervise or assist in all phases of job flow from planning and organizing to onsite construction and restoration. CJB Project Managers obtain signed Work Authorizations from the insured at the commencement of work and a signed Completion Certificate at the end of a restoration project to enforce quality control. Project Managers also inspect work throughout the duration of job to ensure work is meeting the satisfactory requirements of the insured.

They also ensure quality by actively pursuing and acquiring superior industry specific tools and equipment and by remaining up to date in specialized training. To this end **CJB has over 10,000 sq. ft. of strategic industrial warehouse space** and a 21 vehicle fleet, **fully equipped and ready to respond to the wide range of challenges** associated with property damage. Their company's well earned reputation among Insurance Adjusters also stems largely from their objective approach when employing contractors and in house employees including 4 Project Managers and an

maintain their quality service.

Complimented with a base of skilled sub trade resources, **CJB Restoration** is further notable for owning its own key equipment and for operating two fully functional warehouses. These assets also allow for CJB Restoration to achieve company objectives such as creating further growth and upholding their reputation in the Greater Vancouver and in the Fraser Valley areas.

**CJB Restoration Services Ltd.** is proud to be a certified firm through IICRC (Institute of Inspection Cleaning and Restoration), RIA (Restoration Industry Association) and BCARC (B.C. Association of Restoration Contractors) and now a member of the **CDRG RED TEAM!**
